NOTICES OF PROPOSED RULES

A state agency may file a PROPOSED RULE when it determines the need for a new rule, a substantive change to an existing rule, or a repeal of an existing rule. Filings received between October 16, 1999, 12:00 a.m., and November 1, 1999, 11:59 p.m., are included in this, the November 15, 1999, issue of the *Utah State Bulletin*.

In this publication, each PROPOSED RULE is preceded by a RULE ANALYSIS. This analysis provides summary information about the PROPOSED RULE including the name of a contact person, anticipated cost impact of the rule, and legal cross-references.

Following the RULE ANALYSIS, the text of the PROPOSED RULE is usually printed. New rules or additions made to existing rules are underlined (e.g., example). Deletions made to existing rules are struck out with brackets surrounding them (e.g., [~~example~~]). Rules being repealed are completely struck out. A row of dots in the text (•••••) indicates that unaffected text was removed to conserve space. If a PROPOSED RULE is too long to print, the Division of Administrative Rules will include only the RULE ANALYSIS. A copy of rules that are too long to print is available from the filing agency or from the Division of Administrative Rules.

The law requires that an agency accept public comment on PROPOSED RULES published in this issue of the *Utah State Bulletin* until at least December 15, 1999. The agency may accept comment beyond this date and will list the last day the agency will accept comment in the RULE ANALYSIS. The agency may also hold public hearings. Additionally, citizens or organizations may request the agency to hold a hearing on a specific PROPOSED RULE. Section 63-46a-5 (1987) requires that a hearing request be received "in writing not more than 15 days after the publication date of the PROPOSED RULE."

From the end of the public comment period through March 14, 2000, the agency may notify the Division of Administrative Rules that it wants to make the PROPOSED RULE effective. The agency sets the effective date. The date may be no fewer than 31 days nor more than 120 days after the publication date of this issue of the *Utah State Bulletin*. Alternatively, the agency may file a CHANGE IN PROPOSED RULE in response to comments received. If the Division of Administrative Rules does not receive a NOTICE OF EFFECTIVE DATE or a CHANGE IN PROPOSED RULE, the PROPOSED RULE filing lapses and the agency must start the process over.

The public, interest groups, and governmental agencies are invited to review and comment on PROPOSED RULES. *Comment may be directed to the contact person identified on the RULE ANALYSIS for each rule.*

PROPOSED RULES are governed by *Utah Code* Section 63-46a-4 (1996); and *Utah Administrative Code* Rule R15-2, and Sections R15-4-3, R15-4-4, R15-4-5, R15-4-9, and R15-4-10.

SUMMARY OF THE RULE OR CHANGE: In Section R156-1-308a, the license renewal date for factory built housing dealers is being changed from odd years to even years.

STATE STATUTORY OR CONSTITUTIONAL AUTHORIZATION FOR THIS RULE: Subsection 58-1-106(1)

COMPLIANCE COSTS FOR AFFECTED PERSONS: No costs are anticipated for factory built housing dealers since only the renewal cycle is being changed from odd years to even years.

COMMENTS BY THE DEPARTMENT HEAD ON THE FISCAL IMPACT THE RULE MAY HAVE ON BUSINESSES: The purpose of this amendment is to correct the licensure renewal cycle for factory built housing dealers as set out in the rule to correspond to the licensing cycle established by the 1999 statutory amendment by the legislature. This amendment will result in no impact upon the state budget, local governments, the regulated profession, or the general public--Douglas C. Borba

Factory Built Housing Dealer Bonds

NOTICE OF PROPOSED RULE
(Amendment)

DAR FILE NO.: 22478
 FILED: 11/01/1999, 09:18
 RECEIVED BY: NL

RULE ANALYSIS

PURPOSE OF THE RULE OR REASON FOR THE CHANGE: The Division needs to implement a change made in Title 58, Chapter 56, during the 1999 legislative session which requires bonds for factory built housing dealers.

SUMMARY OF THE RULE OR CHANGE: Section R156-56-602 is being added with respect to factory built housing dealer bonds. The proposed rule sets the bond amount required for licensure as \$50,000 and defines coverage of the bond as losses suffered as a result of unlawful and unprofessional conduct of a licensee.

STATE STATUTORY OR CONSTITUTIONAL AUTHORIZATION FOR THIS RULE: Section 58-56-1, and Subsections 58-1-106(1), 58-1-202(1), 58-56-4(2), and 58-56-6(2)(a)

ANTICIPATED COST OR SAVINGS TO:

❖**THE STATE BUDGET:** The Division anticipates there will be added Division personnel time in handling the applications of factory built housing dealers. The cost of additional personnel time will be passed on to the applicant by increasing application and renewal fees. The proposed fee schedule changes will be handled via a separate public hearing at a later date.

❖**LOCAL GOVERNMENTS:** Proposed rule does not affect local governments; therefore, no cost or savings.

❖**OTHER PERSONS:** Costs to factory built housing dealers: The average cost of a bond is anticipated to be between \$500 and \$5,000, depending upon the financial stability of the registrant as perceived by the bonding company. There are presently 117 factory built housing dealers that will be affected by this requirement.

COMPLIANCE COSTS FOR AFFECTED PERSONS: The average cost of a bond for a factory built housing dealer is anticipated to be between \$500 and \$5,000 depending upon the financial

stability of the registrant as perceived by the bonding company.

COMMENTS BY THE DEPARTMENT HEAD ON THE FISCAL IMPACT THE RULE MAY HAVE ON BUSINESSES: The purpose of this amendment is to establish a bond amount to implement a change in the statute governing factory built housing which was added by the 1999 Legislature requiring factory built housing dealers to post a bond. The rule established the required bond amount at \$50,000 for losses suffered as a result of unlawful or unprofessional conduct of a factory built housing dealer/licensee. The adoption of this amendment will have a neutral impact upon the state budget as the additional cost of handling applications will be passed on to the applicants through increased application and renewal fees. There will be no impact on local governments. The average cost of the required bond to those engaged in the regulated profession, presently 117, is anticipated to be between \$500 and \$5,000, depending upon the financial stability as assessed by the chosen bonding company. The amendment will be generally positive to the general public. Although the cost of the bond premiums will undoubtedly be passed on to the factory built housing end purchasers, this amount will be more than offset by the protection afforded by the bonding requirement both in the money available for restitution and, more importantly, in assuring the financial responsibility of those licensed and engaging in the profession as dealers of factory built housing--Douglas C. Borba

❖THE STATE BUDGET: Increase of approximately \$225,000 annually in expenditures to cover anticipated increased funeral and burial costs.

❖LOCAL GOVERNMENTS: The Crime Victim Reparations (CVR) rule changes would have no effect on local government; therefore, no cost or savings.

❖OTHER PERSONS: There would be an increase in services for families of homicide victims, which would mean a savings to them because of increased award payments on their behalf.

COMPLIANCE COSTS FOR AFFECTED PERSONS: There would be an increase in services for families of homicide victims, but no compliance costs because the CVR program does not impose fees on victims of crime for services provided.

COMMENTS BY THE DEPARTMENT HEAD ON THE FISCAL IMPACT THE RULE MAY HAVE ON BUSINESSES: Award payments to families of homicide victims would increase approximately \$225,000 a year.

RULE ANALYSIS

PURPOSE OF THE RULE OR REASON FOR THE CHANGE: To clarify the existence of additional foster care and adoption criteria that exist in DCFS rule for children in DCFS custody, as part of DCFS placement decision.

SUMMARY OF THE RULE OR CHANGE: The Division of Child and Family Services (DCFS) Board has recently proposed an amendment specifying requirements potential foster care and adoptive families must meet for children in DCFS custody. This change cross-references the DCFS rule in R501-12 to clarify that requirements above and beyond basic licensing health and safety factors may be required before placements are made in homes.

(DAR Note: The amendment to the DCFS rule, R512-1, is under DAR No. 22471 in this Bulletin.)

STATE STATUTORY OR CONSTITUTIONAL AUTHORIZATION FOR THIS RULE: Section 62A-2-101 through Section 62A-2-121

ANTICIPATED COST OR SAVINGS TO:

❖THE STATE BUDGET: Cross-referencing the DCFS rule has no anticipated direct impact on the state budget. It provides clarifying information for prospective foster parents affected by the DCFS rule change.

❖LOCAL GOVERNMENTS: Following careful review, there is no anticipated impact on local government. This rule does not apply to local government. It only applies to potential foster parents working with the state Department of Human Services (DHS) foster care program.

❖OTHER PERSONS: None--following careful review of potential costs to the public, or businesses, the agency has not identified any other persons who incur costs or realize savings as a result of this rule. It only provides clarifying information for prospective foster parents affected by the DCFS rule change.

COMPLIANCE COSTS FOR AFFECTED PERSONS: This rule only refers to the DCFS rule that specifies eligibility for some

foster/adopt parents. There are no "compliance" costs associated with this rule because no compliance is required. It is provided as clarifying information for prospective foster/adopt parents.

COMMENTS BY THE DEPARTMENT HEAD ON THE FISCAL IMPACT THE RULE MAY HAVE ON BUSINESSES: After careful analysis of any possible impact on businesses, the department head has concluded that there will not be any impact.

R501-12. Foster Care Rules.

.....

R501-12-4. Licensing and Renewal.

A. Application: An individual or legally married couple age 21 and over may apply to be foster parents. The applicant shall be provided with an application and a copy of the foster care licensing standards. The application shall require the applicant to list each member of the applicant's household.

B. Medical Information:

1. At the time of application, each potential foster parent shall obtain and submit to the foster care agency or the Office of Licensing, hereinafter referred to as OL, a medical reference letter, completed by a licensed health care professional, which assesses the physical ability of the individual to be a foster parent. On an annual basis thereafter, each foster parent shall submit a personal health statement.

2. A psychological examination of a potential or current foster parent may be required by OL or the foster care agency if there are questions regarding the individual's mental stability which may impair functioning as a foster parent. The psychological examination shall be arranged and paid for by the foster parent.

C. References:

The applicant shall submit the names of individuals not related to the applicant who may be contacted by the foster care agency or OL for a reference. The named individuals, such as neighbors, school personnel, or clergy, shall be knowledgeable of the ability of the potential foster parents to nurture children. Three acceptable letters of reference must be received by the foster care agency or OL before a license will be issued.

D. Background Screening:

1. Criminal Background Screening, referred to as CBS, pursuant to 62A-2-120, requires that all child foster care applicants or persons 18 years of age or older living in the home must have the criminal background screening completed. This shall be completed on initial home approval and yearly thereafter. In accordance with 62A-2-120, no applicant can be licensed to provide foster care services when the applicant has been convicted of a felony.

2. The child abuse data base shall also be screened for each applicant or persons 18 years of age or older living in the home to see if a report of alleged abuse and neglect has been substantiated. This shall be done on initial home approval and yearly thereafter.

a. In accordance with 62A-4a-116(2)(b) the following types of abuse and neglect shall be considered for licensing purposes:

- 1) physical abuse,
- 2) sexual abuse,
- 3) sexual exploitation,
- 4) abandonment, medical neglect resulting in death, disability, or serious illness, or
- 5) chronic or severe neglect.

b. In accordance with 62A-2-121, if the name of any individual living in the home appears on the child abuse data base as substantiated, a license may be denied, approved, or renewed based on a comprehensive review of the individual circumstances, conducted by DHS, in accordance with R501-18.

E. Home Study: There shall be a current home study report on record prepared, or reviewed and signed off, by a licensed Social Worker. A home study shall be completed for each potential foster home. The home study shall be updated annually with a home visit.

F. Provider Code of Conduct: Each foster care applicant shall read, abide by, and sign a current copy of the DHS Provider Code of Conduct.

G. Training: Each foster care applicant shall complete the required pre-service training as specified in R501-12-5 prior to receiving a license.

H. Approval or Denial:

1. Following pre-service training and submission of all required documentation, the home study and assessment of an applicant shall be completed.

2. A license shall be issued for applicants who meet Foster Care Licensing Rules. In addition, the applicants shall be responsible to identify and meet any local ordinances applicable to the type of care.

3. The decision to approve or deny the applicant shall be made on the basis of observable facts and the professional judgement of the foster care agency or OL regarding the safety and sanitation conditions of the home.

4. No person may be denied a foster care license on the basis of race, color, or national origin of the person, or a child, involved, pursuant to the Social Security Act, Section 471(a)(18)(A).

5. The provider shall be evaluated annually for compliance with standards when renewing a license.

6. Kinship and Specific Home Approval: An applicant may be licensed for placement of one specific child or sibling group. The home study shall be completed and all licensing requirements met. This license is valid for the duration of the specific placement only and must be renewed annually.

7. Licensure approval is not a guarantee that a child will be placed in the home. Additional requirements for children in the custody of the Division of Child and Family Services are included in R512-1 for foster care and R512-41 for adoption assessments.[adoptive parents and adoptive assessments for children in State custody are included in R512-41(3)(4).]

8. Limitations on Licensed Providers:

a. Providers shall not be licensed to provide care for both adults and children.

b. Providers shall not be licensed to provide both child care and foster care.

c. Providers shall not be licensed for the following configurations of services; group care and child emergency care, or group care and foster care.

9. The Office of Licensing Director or designee may grant a variance to a rule if it is in the best interest of the specific child.

10. All providers shall report any major changes as listed in a. through e. in their lives to the licensor or foster care agency within 48 hours. These changes shall be re-evaluated within one month of the change by the licensor or foster care agency. A major change in the lives of the foster parents shall include, but is not limited to the following:

a. death or serious illness among the members of the foster family,

b. separation or divorce,

c. loss of employment,

d. change of residence, or

e. suspected abuse or neglect of any child in the foster home.

RULE ANALYSIS

PURPOSE OF THE RULE OR REASON FOR THE CHANGE: The amendment to the proposed rule is the result of a policy passed by the Division of Child and Family Services Board. The policy limits placement of children in the custody of the Division to licensed foster care providers who are either individuals or legally married couples not living with adults to whom they are unrelated by blood, adoption, or marriage.

SUMMARY OF THE RULE OR CHANGE: The amendment adds policy that limits placement of children in the custody of the Division to licensed foster care providers who are either individuals or legally married couples not living with adults to whom they are unrelated by blood, adoption, or marriage.

STATE STATUTORY OR CONSTITUTIONAL AUTHORIZATION FOR THIS RULE: Section 62A-4a-105

ANTICIPATED COST OR SAVINGS TO:

❖**THE STATE BUDGET:** This new limitation may result in litigation. The policy excludes prospective foster parents who are licensed as foster parents, but, who do not meet this new limitation. There should be no impact on the overall expenditures for foster care.

❖**LOCAL GOVERNMENTS:** None--following careful review, the agency has not identified any costs to local government, as the rule does not apply to local governments.

❖**OTHER PERSONS:** None--following careful review of potential costs to the public or businesses, the agency has not identified any other persons who incur costs or realize savings as a result of this rule.

COMPLIANCE COSTS FOR AFFECTED PERSONS: Costs for compliance for licensed foster care providers who are now ineligible for placements who contest this rule change may incur the cost of an attorney.

COMMENTS BY THE DEPARTMENT HEAD ON THE FISCAL IMPACT THE RULE MAY HAVE ON BUSINESSES: After careful analysis of any possible impact on businesses, the department has concluded that there will not be any impact.

R512. Human Services, Child and Family Services.

R512-1. Description of Division Services, Eligibility, and Service Access.

.....

R512-1-5. Out-of-Home Care Services.

A. Foster Care and Group Care. Child placement services may be provided when parents are unable to meet their children's needs within the family. The Division has authority to place a child when the state has been granted custody through a court order, or when a voluntary agreement has been signed by the parents, or when the child is from another state and is covered by the Interstate Compact for the Placement of Children. The intent of foster or group care is to insure a permanent home for each child. This may be achieved through a return to the home, or through adoption, emancipation, guardianship, or permanent foster care services. A Permanency Plan for each foster child, defining the goal and steps to be taken to achieve permanency, shall be formulated. Periodic reviews shall be held at least once every six months to assess progress achieved within the Permanency Plan, and to project a likely date for returning the youth to the family home or to another permanent home arrangement. A dispositional hearing shall be held every 18 months from date of placement to determine the future status of the child. Foster care shall be provided in licensed family homes. All children in the custody of the Division of Child and Family Services shall be placed only with licensed foster care parents. Foster parents shall be emotionally stable and responsible persons over 21 years of age. In addition to a foster care license, foster parents for a child in the custody of the Division of Child and Family Services must be either a single individual or legally married and not living with adults to whom they are unrelated by blood, adoption or marriage. Group care shall be provided in licensed facilities which offer a more structured treatment environment than a family home. Foster homes are licensed in accordance with R501-12. Residential Treatment Programs, also known as group homes, are licensed in accordance with R501-2 and R501-3-3.

1. Access. Referrals can be made from Protective Services or from Juvenile Court and other agencies. Parents can request placement services by contacting the local DFS Office. Referrals for foster or group care may be screened to determine whether placement is the best option. In most cases, services which are intended to prevent placement must be first provided, before foster or group care will be considered by the Division.

2. Eligibility. Temporary child custody must be given to the State by court order, or by voluntary agreement, and most parents shall be obligated to pay support while their child is in foster care. Youth can be served in foster or group care until age 18, or until age 21 when ordered by the court.

B. Independent Living. Services may be given to older teenage foster children to teach self-sufficiency skills in order to

increase their ability to be self-reliant in the future. Some who do not return to living with their parents upon leaving foster care will be allowed to live on their own. All foster children age 16 and older shall be required to be working toward at least one objective in developing independent living skills in their Permanency Plans.

1. Access. Access shall be given only by a referral from the foster care worker.

2. Eligibility. Foster children who are at least 16 years old and who are in custody of the State shall be eligible.

C. Adoption. This service provides adoptive homes for children in custody of the State who are legally available because the birth parents have been permanently deprived of parental rights by court action, or who have voluntarily relinquished their children for adoption. The choice of an adoptive home is based on the best interests of the child. When the children placed for adoption are hard to place because of their special needs, a subsidy payment can be approved to enable adoptions by a family needing assistance in caring for the child. Independent adoption home studies shall be completed only by direct order of a District Court.

1. Access. Access is available only by a referral from foster care staff. Adults wishing to adopt a child may apply to their local DCFS Office for consideration. Receipt of applications can be suspended by a local office based on the number of approved homes waiting for a placement and the number of children available.

2. Eligibility. To be eligible, the child must be in custody of the State, be legally freed for adoption, and the Division must determine that adoption is the best Permanency option for the child. Persons approved to be adoptive parents must meet certain standards before approval. Application and placement fees may be charged, or may be waived for families adopting a hard-to-place child. Fees, based on a sliding fee schedule, shall be charged for home studies sent to the U.S. Immigration Service and for completed Independent Adoption Home Studies. Authorization of subsidies for hard-to-place children shall be determined by the Division which shall assess the resources of the adoptive family to meet the child's need for maintenance or treatment.

D. Provider Services. Persons applying to be foster or emergency care parents shall be given information and a home study will be completed. For those approved as meeting program standards, basic training will be provided, as well as any additional training which may be required for some types of care. Annual reapproval is required.

1. Access. Persons interested in becoming foster parents or who wish to provide emergency care, such as shelter care, may apply to their local DCFS Office.

2. Eligibility. Any adult may apply for consideration. Persons approved to be providers must meet certain standards of the Division before approval is granted.

 Order to Include Medical Support

NOTICE OF PROPOSED RULE

(Repeal)
 DAR FILE NO.: 22470

 RECEIVED BY: NL

RULE ANALYSIS

PURPOSE OF THE RULE OR REASON FOR THE CHANGE: 45 CFR 303.31 has been amended and now eliminates the choice of including health insurance coverage for children in child support orders. A medical support provision is now required in all child support orders. Because of the change in the federal regulation, this rule, which provides a list of criteria to assist in determining if there is a high potential for obtaining medical support, is no longer needed.

SUMMARY OF THE RULE OR CHANGE: This rule is repealed in its entirety.

STATE STATUTORY OR CONSTITUTIONAL AUTHORIZATION FOR THIS RULE: Section 62A-11-326 and Subsection 78-45-7(1)

ANTICIPATED COST OR SAVINGS TO:

❖THE STATE BUDGET: Because the repeal of this rule will eliminate the requirement to determine whether including a medical support provision in a judicial order is appropriate, there will be a savings to the state each time a judicial modification for the purpose of adding this provision is done. Because the number of these actions vary and the need for them will become less over time as new orders are established that include the medical support provision, the amount of annual savings cannot be accurately determined.

❖LOCAL GOVERNMENTS: None--the administrative rules of the Office of Recovery Services do not apply to local governments.

❖OTHER PERSONS: Because the action of identifying cases where there would be a high potential for obtaining medical support for the purpose of modifying a judicial order has been an exclusive responsibility of the Office of Recovery Services, the repeal of this rule will have no financial impact on other persons.

COMPLIANCE COSTS FOR AFFECTED PERSONS: The repeal of this rule will not result in additional costs to persons formerly affected by it. The requirement that insurance coverage for children be included in all support orders applies whether or not this rule is repealed; therefore, any increase in cost to responsible parents for maintaining that insurance coverage is not related to the repeal.

COMMENTS BY THE DEPARTMENT HEAD ON THE FISCAL IMPACT THE RULE MAY HAVE ON BUSINESSES: The determination of high

potential for obtaining medical support for the purpose of modifying a judicial order to include a medical support provision, has been an exclusive responsibility of the Office of Recovery Services and has had no direct fiscal impact on businesses. The repeal of this rule eliminating the agency's responsibility for making that determination will also have no effect on businesses.

~~1. the obligated parent is employed by an employer where health insurance is available through the employer at a reasonable cost, or~~

RULE ANALYSIS

PURPOSE OF THE RULE OR REASON FOR THE CHANGE: In order to update and clarify terms, provide fairness and equity in the distribution of an obligor's payments between all of the families for which he is responsible, and ensure conformity with the requirements of current federal law, the following changes in this rule are necessary: 1) the complete names of the Office and the child support agency should replace "the Office" to provide clarity; 2) the second instance of the word "debt" in the first sentence should be replaced with "case" to make it clear that the determination of which debt to credit a payment is necessary when there are multiple cases; 3) when the obligor does not specify where child support payments should be credited, the payments, other than those received from the federal tax refund program, should be prorated among all current support obligations before being divided equally between all of the obligor's cases with arrears debts; and 4) after current support obligations have been met, payments should be applied to arrears debts owed to the family before arrears debts owed to the state pursuant to federal law at 42 U.S.C. 657.

SUMMARY OF THE RULE OR CHANGE: "Office" has been changed to "Office of Recovery Services," to make it clear that the crediting of payments in multiple case situations is done by the Office of Recovery Services. "Case" has replaced the second instance of the word "debt" to make it clear that the determination of which debt to credit a payment is necessary when there are multiple cases. The words "...and no payment arrangement has been made," were deleted because even when an obligor has made payment arrangements, Recovery Services may determine where to credit the payment if the obligor has not specified to which case the payment should be applied. Added a sentence to clarify the meaning and effect of "obligor intent" on how child support payments are credited. It confirms that when the obligor asks that a payment be placed on a particular case, Recovery Services will honor that request. Additional changes were made to make it clear that when the obligor

has not specifically designated which case a child support payment should be credited to, the Office of Recovery Services/Child Support Services (ORS/CSS) has the responsibility to prorate it among all of his current obligations, unless that payment has come from the federal tax intercept program. Changes were made to specify that "a payment" (not "any balance") must be divided equally between all of the obligor's child support cases after the current obligations have been met, that it be applied to the oldest arrears debt on a case first, and that arrears owed to the family must be paid before arrears owed to the state. Language that was too general was removed.

STATE STATUTORY OR CONSTITUTIONAL AUTHORIZATION FOR THIS RULE: Section 62A-11-107

ANTICIPATED COST OR SAVINGS TO:

❖THE STATE BUDGET: The primary financial impact to the state that will result from implementation of the proposed rule will be a reduction in revenue when support payments (after current obligations are met) are applied to past-due support owed to the family before support arrearages assigned to the state (for periods that financial public assistance has been granted to the obligee). This means that when a substantial amount of past-due support is owed to a family taking many years to pay off (which, in some cases, may never be fully paid), payments to the state may be postponed for a potentially lengthy and indeterminate amount of time or may result in no payments whatever to the state. In cases where past-due support owed to a family is not a large amount, the state will be able to begin recovering amounts owed to it sooner, but there will still be the initial delay during which time no payments are received. When the state eventually recovers past-due support to which it is entitled under an assignment, it is possible that the amount recovered will have a lesser value in current dollars than when it was originally due. In addition, the delay may conceivably result in the state losing interest to which it may be entitled. Because of these and other variable factors, it is not possible to precisely determine the aggregate amount of revenue the state will lose each year as a result of this change.

❖LOCAL GOVERNMENTS: None--the administrative rules of the Office of Recovery Services do not apply to local governments.

❖OTHER PERSONS: Except when an obligor with multiple obligations designates that a payment go to a particular case (or cases), the proposed rule will benefit child support obligees to whom current support is due because it will ensure that when the obligor's payment falls short of the total current due, each obligee will receive at least a partial payment based on a proportionate distribution. There will also be a benefit to obligees to whom past-due support is owed when the obligor also owes money to the state for financial public assistance that has been granted. Under the proposed rule change, these obligees will essentially switch places with the state and be first in line to receive arrears payments from the obligor. The proposed language will also ensure that whenever a nondesignated arrears payment is made, it will be divided equally among all of the obligees to whom the obligor owes past-due support so that every obligee realizes some financial benefit. Because the amount

available for current support and arrears is directly related to the amount actually paid by the obligor (which may vary as conditions change), it is not possible to precisely determine the aggregate amount obligees will receive each year as a result of the proposed rule change.

COMPLIANCE COSTS FOR AFFECTED PERSONS: Because the proposed rule does not affect the amount or frequency of current and arrears support payments, an obligor will not experience any additional costs upon its implementation. Because it generally ensures fair and equitable distribution of support payments to obligees and allows them to recover arrearages before the state, the proposed rule will not result in undue financial burden on any particular obligee.

COMMENTS BY THE DEPARTMENT HEAD ON THE FISCAL IMPACT THE RULE MAY HAVE ON BUSINESSES: Although a business may be involved with withholding payments from an employee/obligor's income and remitting them to the Office of Recovery Services, it is not affected by the posting or distribution of payments which the agency receives. Because the proposed rule deals with the disposition of payments after they are received by the Office of Recovery Services, no direct fiscal impact on businesses is expected.

RULE ANALYSIS

PURPOSE OF THE RULE OR REASON FOR THE CHANGE: The purpose of the creation of this rule is to comply with Utah Code Section 36-11-404.

SUMMARY OF THE RULE OR CHANGE: This rule is to provide the lieutenant governor's office with procedures to: 1) issue lobbyist licenses; 2) disapprove lobbyist applications; 3) suspend and revoke lobbyist licenses; 4) reinstate lobbyist licenses; and 5) appoint administrative law judges.

STATE STATUTORY OR CONSTITUTIONAL AUTHORIZATION FOR THIS RULE: Section 36-11-404

ANTICIPATED COST OR SAVINGS TO:

❖THE STATE BUDGET: There will be costs incurred for the services of administrative law judges. Since these costs will depend on how many cases must be turned over to an administrative law judge, it is unknown what these costs will be.

❖LOCAL GOVERNMENTS: The proposed rule allows the lieutenant governor's office to turn criminal cases over to the county or district attorney for prosecution. Since these costs will depend on how many cases are given to the local prosecutors it is unknown what these cost will be.

❖OTHER PERSONS: Lobbyists and their employers would only be impacted by this rule for noncompliance. The statute allows for fines up to \$25,000 for violations.

COMPLIANCE COSTS FOR AFFECTED PERSONS: No cost will be incurred by any person who complies with the rules. However, the rules allow for fines for noncompliance.

COMMENTS BY THE DEPARTMENT HEAD ON THE FISCAL IMPACT THE RULE MAY HAVE ON BUSINESSES: This rule will not have a fiscal impact on business/employers whose lobbyists comply with the rule or statute. If a lobbyist does not comply with the rule or the statute, the license may be suspended or the lobbyist may be fined. This could potentially impact the lobbyist's employer in replacing the lobbyist or absorbing the cost of the fines.

RULE ANALYSIS

PURPOSE OF THE RULE OR REASON FOR THE CHANGE: To amend or add fees and instructions which will more appropriately cover cost increases for services throughout the state park system.

SUMMARY OF THE RULE OR CHANGE: This rule amendment updates the 1998-99 fee schedule as approved by the State Parks Board at their July 14, 1999, meeting.

STATE STATUTORY OR CONSTITUTIONAL AUTHORIZATION FOR THIS RULE: Section 63-11-17

ANTICIPATED COST OR SAVINGS TO:

❖THE STATE BUDGET: This amendment in Rule R651-611 is to formalize an increase in fees charged for certain recreational activities/services enjoyed by park visitors throughout the park system. It is estimated that this increase will generate approximately \$200,000 in dedicated credits for the Division. These additional funds will be used for operating/repair costs incurred in each of our 46 state parks.

Fees for state parks are set by the state parks board with legislative approval. The increase in fees will not incur any additional costs that would not have happened had the fees remained steady.

❖LOCAL GOVERNMENTS: Local government has no authority over state parks and, therefore, there would be no cost or savings impact.

❖OTHER PERSONS: This increase in fees charged by the Division of Parks and Recreation will affect the participating public who utilize park facilities and services. The increase would affect camping, day use entrance, ice skating, cemetery, reservation, and golf fees within the state park system. Camping fees are increasing by an average of \$1 per night in certain parks and increasing \$2 per night in others, as listed in the text of this rule. Daily passes are increasing \$1 per motor vehicle. Season park passes are increasing by \$5 per pass; golf fees are increasing anywhere from \$1 to \$2.50 per round; a twenty-round pass at Wasatch increases \$20; ice skating increases \$1 per pass and group reservations are increasing \$25 per hour; cemetery fees are increasing \$50 for Saturday and \$50 per Sunday and holiday burials; Staff assistance is increasing \$10 per hour and making reservations will cost \$0.25 more per reservation. All fees are listed in full in the text of this rule.

COMPLIANCE COSTS FOR AFFECTED PERSONS: The costs related to compliance with Rule R651-611 changed by this rule amendment relate only to the recreating public who utilize state park facilities or services. That cost increase is equivalent to the approximately \$200,000 aggregate increase in revenue estimated to be collected through increased fees.

COMMENTS BY THE DEPARTMENT HEAD ON THE FISCAL IMPACT THE RULE MAY HAVE ON BUSINESSES: The proposed rule will have no fiscal impact on businesses. The \$200,000 increase in Division of Parks and Recreation revenues generated through the proposed fee increases represent only 3% of Division revenues for fiscal year 1997 (\$6.7 million). In addition, the proposed fees are, on average 2.6% higher than the existing fees. Given the small size of the fee increases, the rise in fees appears roughly appropriate to match anticipated price increases in the greater economy (between 1.5% and 3% annually). Since the proposed fees represent a price increase commensurate with economy-wide inflation, economic agents are unlikely to change their consumption of this and related services and goods, other factors held constant. As a result, the fee increases are not likely to have a fiscal impact on businesses.

NOTICES OF 120-DAY (EMERGENCY) RULES

An agency may file a 120-DAY (EMERGENCY) RULE when it finds that the regular rulemaking procedures would:

- (a) cause an imminent peril to the public health, safety, or welfare;
- (b) cause an imminent budget reduction because of budget restraints or federal requirements; or
- (c) place the agency in violation of federal or state law (*Utah Code* Subsection 63-46a-7(1) (1996)).

As with a PROPOSED RULE, a 120-DAY RULE is preceded by a RULE ANALYSIS. This analysis provides summary information about the 120-DAY RULE including the name of a contact person, justification for filing a 120-DAY RULE, anticipated cost impact of the rule, and legal cross-references. A row of dots in the text (••••) indicates that unaffected text was removed to conserve space.

A 120-DAY RULE is effective at the moment the Division of Administrative Rules receives the filing, or on a later date designated by the agency. A 120-DAY RULE is effective for 120 days or until it is superseded by a permanent rule.

Because 120-DAY RULES are effective immediately, the law does not require a public comment period. However, when an agency files a 120-DAY RULE, it usually files a PROPOSED RULE at the same time, to make the requirements permanent. Comment may be made on the proposed rule. Emergency or 120-DAY RULES are governed by *Utah Code* Section 63-46a-7 (1996); and *Utah Administrative Code* Section R15-4-8.

NOTICE OF 120-DAY (EMERGENCY) RULE

RULE ANALYSIS

PURPOSE OF THE RULE OR REASON FOR THE CHANGE: The Utah Liquefied Petroleum Gas Board proposes to continue the requirements for requalification of LP Gas cylinders that were modified by a written ruling from USDOT. The Board felt this safety requirement should be continued in the State of Utah for not only commercially-used cylinders, but also privately-owned cylinders. The LP Gas Board also proposes to discontinue the requirement of the installation of OPDs in horizontal LP Gas cylinders due to the nonexistence of a suitable OPD device.

SUMMARY OF THE RULE OR CHANGE: Section R710-6-8(6)(c) is proposed to delete and rewrite the requirement in the National Fire Protection Association (NFPA), Standard 58, LP (liquefied petroleum) Gas Code, 1998 edition, Section 2-2.1.5, to continue the requirement for requalification of LP Gas cylinders as required by United States Department of Transportation (USDOT). At the last LP Gas Board meeting on October 8, 1999, this matter was discussed in depth and the recently released USDOT ruling was discussed. The ruling allowed that privately-owned LP Gas cylinders now be exempt from the requalification requirements when the

cylinder reaches a certain age. The Board felt that the requalification of all cylinders was a needed safety requirement for those users of LP Gas cylinders. Subsection R710-6-8(6)(e) is proposed to eliminate the requirement for the installation of Overfill Protection Devices (OPDs) in horizontal cylinders that range in size from 4 to 40 lbs. Since this requirement went into effect on February 2, 1999, and it has now come to light there is no acceptable OPD available for horizontal LP Gas cylinders. It has required that owners of horizontal cylinders at the time of requalification discard their LP Gas cylinders and purchase new cylinders. This practice has placed an unnecessary and overwhelming burden on owners of horizontal LP Gas cylinders that would pass the requalification requirement and can still be safely filled using the existing overfill valve.

STATE STATUTORY OR CONSTITUTIONAL AUTHORIZATION FOR THIS RULE: Section 53-7-305

ANTICIPATED COST OR SAVINGS TO:

❖THE STATE BUDGET: \$200 would be the anticipated cost to the state budget to copy the rewritten rule and send it out to all that are required to have a copy.

❖LOCAL GOVERNMENTS: There is no anticipated cost or savings seen by local government because this rule does not affect local government.

❖OTHER PERSONS: There would be an anticipated savings to owners of horizontal LP Gas cylinders that would now be able to keep the cylinders and refill them rather than discard them. Exact aggregate anticipated cost is impossible to predict due to the unknown number of horizontal LP Gas cylinders that would be saved from being discarded.

COMPLIANCE COSTS FOR AFFECTED PERSONS: There is no additional cost for affected persons for the continued

requirement to requalify LP Gas cylinders. This has been an existing standard for many years in the State of Utah. There is no additional cost for those allowed to keep the existing horizontal LP Gas cylinders that are now required to receive an OPD when the cylinder turns 12 years of age. There would be a savings to the owners of horizontal LP Gas cylinders of approximately \$50 to several hundred dollars per installation to be able to continue to use existing and well maintained horizontal LP Gas cylinders.

COMMENTS BY THE DEPARTMENT HEAD ON THE FISCAL IMPACT THE RULE MAY HAVE ON BUSINESSES: There is no fiscal impact on businesses to enact this rule.

EMERGENCY RULE REASON AND JUSTIFICATION: REGULAR RULEMAKING PROCEDURES WOULD CAUSE AN IMMINENT PERIL TO THE PUBLIC HEALTH, SAFETY, OR WELFARE.

With the recently issued ruling from USDOT, and the elimination of the requirement to requalify privately-owned LP Gas cylinders, the LP Gas Board felt that immediate attention with regard to LP Gas safety be maintained by issuing this requirement. LP Gas cylinders that have been subjected to fire damage, denting, excessive rust, wear, etc., and are privately owned, would now not be required to be inspected in the requalification process and removed from service, and could be refilled with LP Gas and be in society in an unsafe manner. The emergency rule change will continue a process that has been in effect and used for many years in the State of Utah on all LP Gas cylinders. The second change listed in Subsection R710-6-8(6)(e) would allow owners of horizontal LP Gas cylinders to continue to use well maintained cylinders without the installation of an OPD. The passage of this emergency rule would now allow the continued use of currently-owned LP Gas horizontal cylinders without the requirement that they be unnecessarily discarded and removed from service.
